Lisa Smith
Chartered Construction Manager

MCIOB AssocRICS AaPS

Lisa is a Chartered Construction Manager and experienced Project Manager, having worked both in the UK and Bermuda with a background in building surveying and architectural technology. She brings a wealth of experience to the Practice having worked with mixed use developments, high end residential, office and retail refurbishments, as well as in the healthcare and education sectors. Lisa is well regarded by consultants and contractors throughout the industry and is a key member of our team.

Lisa is a Registered Member with the APS (Association of Project Safety) which is the most widely recognised register of assessed CDM professionals for construction projects in the UK. She is a chartered member of the CIOB and is currently working towards gaining full membership with the RICS.

Lisa joined the Practice in 2016 having previously worked for us from 2003-2007.
