

Dean Bass • Building Surveyor
AssocRICS

Dean joined our team of surveyors on a two year RICS apprenticeship through the University College of Estate Management. Dean is a keen and highly motivated person who takes pride in all his work and who has just enrolled on a 5 year degree level apprenticeship to earn himself a Bachelors degree in building surveying and to become a full chartered building surveyor. We are looking forward to helping him achieve his ambitions and build a successful career.

Dean joined the Practice in 2018.
