

## Nigel Spawton • Partner • Architect

BA (Hons), Dip Arch (Oxon), RIBA

Nigel is a good team builder, motivator, and able to lead the project community without adversarial tactics. He has considerable experience, is well regarded by local contractors and sympathetic to the aims of strategic and project partnering. He is the Framework Director for all of the practices current frameworks. Nigel is a former chief external examiner in Law and Professional Practice at Oxford School of Architecture and is a qualified Party Wall Surveyor.

Nigel joined the Practice in 1985.
