

Suellen Cortez • Architectural Assistant

BA (Hons)

Suellen achieved a bachelor degree in architecture in Brazil and has over 6 year experience as an Architectural Assistant in the UK. Having specialised in residential projects, barn conversions and commercial projects such as restaurants, as well as interior design, she now has expanded into healthcare, defense and education. With a keen interest in Historical Buildings, Sustainability and Interior Design, Suellen is a great asset to the team.

Suellen joined the Practice in 2021.
